## INTEGRATED MANAGEMENT SYSTEM POLICY

The company NOXIFER, S.L. is dedicated to the development, design and manufacture of accessories for precast concrete.

It is the primary objective of NOXIFER, S.L to constantly offer high quality products and services for high customer satisfaction and to work in an environmentally friendly manner, minimizing the environmental impact. However, NOXIFER SL is committed to continually improving health. and the safety of its employees and to prevent its visitors and contractors from having accidents in its facilities. We aim to excel in our occupational health and safety performance and achieve an accident-free work environment. This is achieved by focusing on the way we work, putting safety first. Therefore, the company's INTEGRATED POLICY, applied to the manufacture of accessories for precast concrete, is based on:

- Establish, implement and maintain an INTEGRATED MANAGEMENT SYSTEM FOR QUALITY, ENVIRONMENT AND SAFETY AND HEALTH AT WORK
- The commitment to comply with the quality requirements established by the client and to avoid any errors in manufacturing.
- The commitment to ensure the protection of the environment and the prevention of pollution.
- The commitment to preventing damage and deterioration in the health of workers and other parties involved in the processes, putting safety first.
- Use communication between workers and encourage their participation, as well as the interrelation between the different processes and departments of the company as a prevention and improvement tool.
